

*full-body vintage*TM

A fabric with a glamorous and plump texture,
a rich and gorgeous texture

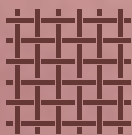

Although "Full Body Vintage" is a synthetic fiber, it is a fabric with unique texture that is different from the texture and expression of natural fibers, which is not found in conventional synthetic fibers and synthetic fibers. It features a rich and thickness and elasticity such as "glamorous compactness" and "puffyvolume".

full-body vintage™

充满魅力、摸起来丰满富有弹性、
有着华丽质感的面料

“Full-Body Vintage™”是一种合成纤维材料，但又具有传统化纤、
合成纤维所不具备的天然纤维的手感和外观，有独特不同的质感。
其特点是“充满魅力的紧密感”、“丰满的分量感”等等，
具有华丽的肉感和弹性的触感。
